

## **AYBS&T COACHING ASSIGNMENT ORDER**

The Board of Directors will approve all coaching assignments. Coaching selection will be based upon the following ranking for succession:

- 1<sup>st</sup> opportunity shall be offered to a returning Head Coach, the previous season, on the same team - remaining in the same division.
- 2<sup>nd</sup> opportunity shall be offered to the Assistant Coach from the same team, the previous season - remaining in the same division.
- 3<sup>rd</sup> opportunity shall be offered to an Assistant Coach from a different team the previous season - remaining in the same division; OR shall be offered to a returning Head Coach from the previous season - changing divisions.
- 4<sup>TH</sup> opportunity shall be offered to an Assistant Coach from the previous season - changing divisions.
- 5<sup>th</sup> opportunity shall be offered to a parent (participant), returning to the same team, with no returning coaches.
- 6<sup>th</sup> opportunity shall be offered to a new parent (participant) to the same or new division.

In the event more than one returning coach/parent wishes to assume a team, names will be drawn from the hat. 1<sup>st</sup> drawn assumes the head coaches duties. At any time during the regular season, should a head coach and/or assistant coach decide to resign from a team prior to mid-season, said coach will notify the Board of Directors in writing. All names of the replacement(s) for the head coach and/or assistant coach shall be submitted to the Board of Directors for approval prior to the change taking affect. Any coaching positions filled after mid-season will be deemed to be filled on a voluntary basis and shall only be official for the remainder of that season.
